

Cranbury Elementary School Compact

Our vision for Cranbury School is to provide a safe and nurturing learning environment where students, parents, faculty and staff members work together as a collaborative and inclusive family. We support and encourage every child to develop a life-long love of learning, reach their full potential, and foster respect for self and an appreciation for individual differences.

Cranbury Elementary School welcomes all types of learners for our richly diverse community. Our school strives to educate the whole child by providing an educational experience that inspires academic achievement, and builds a solid foundation of life skills. Our children become self-confident problem solvers who are excited to learn and contribute to the community.
